Military Meetings.

Agreeable to bills announcing a meeting for the purpose about two hundred people, mostly young men assembled at the courthouse last Tuesday evening for the purpose of beginning the organization of a military company to take the place of old Company E. of the Sixth Missouri Volunteers, the only Missouri infantry organization that saw service in Cuba during the Spanish-American war.

The Sixth came exclusively from southeast Missouri, and some of the older officers are going to reorganize the command and have it ready for service in Mexico, if needs be.

Parties were expected here to represent these officers, but as they failed to come, after a short talk by Hon. J. F. Fulbright and H. E. Braschler, the meeting was adjourned until Wednesday night, at which time a good-sized crowd assembled in the court room and after organizing by selecting a chairman and secretary, remarks were made by Uncle Bill Lackey, Dr. J. R. Hume, Hon. J. F. Fulbright, Sam Martin, L. P. Whitwell and H. E. Braschler, and all of the speakers were attentively listened to and their remarks applauded.

Much interest has been developed in the matter of creating the company and to aid all of the boys who want to join the organization enlistment lists have been left at each of the newspaper offices so that any one can come in and enroll their name.
